

Program Title: _____ Date: _____

Name of Presenter: _____

We want to find out what you learned in this 4-H program. You can help us find out by circling the face or word that describes what you learned in this program. It will only take about 5 minutes to complete. We don't ask for your name on this paper, so we won't be able to connect your answers to you. We won't let anyone other than 4-H staff see the answers, but we might use everyone's answers in a report. Answering the questions won't hurt you or make you feel bad. No one will get angry or upset with you if you don't want to do this or want to stop at any time. If you have questions, you can ask now or you can ask (4-H contact) at (phone number) or (email address). Answering the questions means you have agreed to take this survey. If your parents have questions about the evaluation process, please have them contact the IRB Administrator at 732-932-0150, x 2104 or humansubjects@orsp.rutgers.edu
